

2010 Schedule & Information

Saturday, February 27

Centennial Hall, Fair Park

Route Information: Enter Fair Park by gate 2 or 3. Parking on north side of Fair Park. More driving/DART information at www.DallasScienceFair.org

7:30-8:45 a.m. Student Check-In

Enter Centennial Hall through the East entrance – see map.
Pick up check-in packets upon arrival. Set up exhibits.
Students stay at project for Display & Safety inspection.

9:00 a.m.

All family, teachers, guests must exit the building.
Only students, judges and officials may remain.

9:30-10:30 a.m. Looking Toward College?

Presentation for parents at Science Place in Fair Park. See flyer.

9:00 a.m.-Noon Round One Judging - Interviews

All students should have at least three 10-minute interviews with Science Category judges (red ribbon) and may also have interviews with Special Award Judges (blue ribbon). Students are required to stay with their projects during this time. Individuals and full Teams not present for all interviews are not eligible to win a 1st, 2nd, or 3rd in Science Category.

Noon (approximately)

All students exit the building.
Science Projects may not be removed, except for small valuable items which must be signed out at the registration desk.

1:00-2:00 p.m. First-in-Category Posted

All First-in-Category winners will be phoned on numbers they provided during Safety inspection and asked to return to the building for Grand Prize judging. The names of these winners will also be posted outside the East entrance to the building. It is important that students are contactable during this time.

2:00-4:30 p.m. (approximately) Grand Prize Judging

To be considered for a Grand Prize, first-in-category winners must be present for interview and remain during the Grand Prize Judging.

5:00-6:30 p.m. Free Public Exhibition

Science Fair open to the public. Grand Prize announcement, full results posted.
Projects may not be removed until 6:30 p.m. – No Exceptions!

6.30-7:30 p.m. Project Tear-Down

For security reasons, whoever removes a project from the building requires a Removal Pass. The pass will be provided in your check-in packet on Saturday. Projects unclaimed after 7.30 p.m. will be stacked by the entrance and disposed of Sunday by the cleaning contractor.

Notes

Supplies you may need:

- Covered tables and chairs will be provided. Students bring all other supplies needed for their exhibit, such as batteries, tape, scissors, staplers, etc. If 110V electric is required, students should bring a 25 ft., 16 gauge, **grounded** extension cord.

Your Schedule:

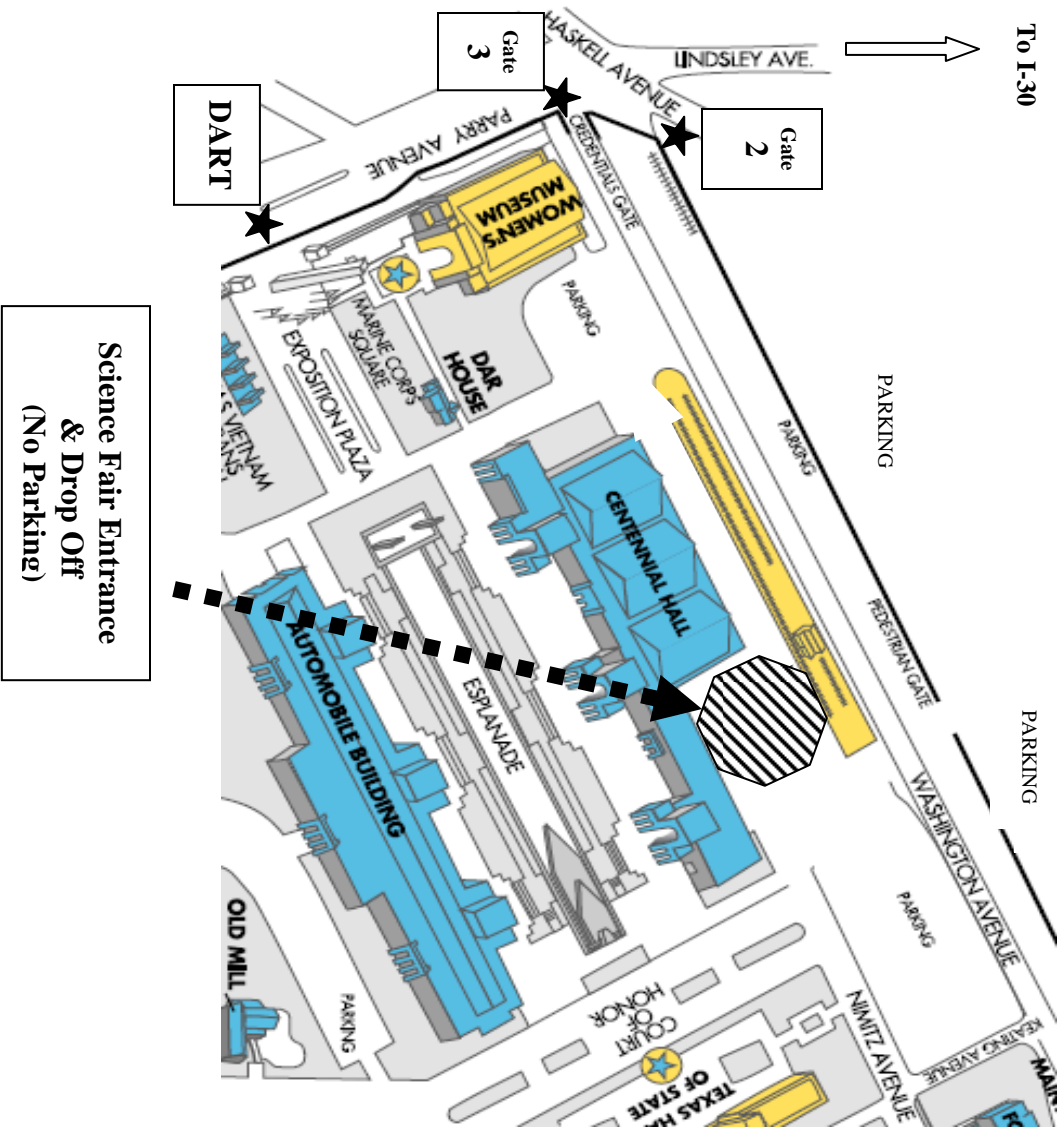

- This schedule has been crafted to maximize convenience for thousands of people involved, and for the safety of all persons and property at the fair. Please be reasonable and assist our volunteers by adjusting your schedule to fit!

Display & Safety Rules:

- Refer to Display & Safety Rules at www.DallasScienceFair.org
Any exhibit that is found to be in violation of these rules at any stage may be disqualified
